

Health & Safety Code of Conduct

In order to provide a safe and healthy experience for all Participants and Team Members, CollabFitness has adopted this Code of Conduct. The Code of Conduct (the “Code”) is intended to provide health and safety standards that can be applied by CollabFitness to its Participants and Team Members. The primary goal is the welfare and protection of the Participants and Team Members involved in the participation of fitness activities, programs or participation of services.

CollabFitness grants the privilege of participating in fitness activities; therefore, CollabFitness may cancel your participation (and any services or products purchase from CollabFitness) at any time for breach of the Code. **I pledge to uphold the CollabFitness Code of Conduct, which offers a general guide to my conduct as a participant of CollabFitness.**

As a Participant, I agree I will:

- Abide by the social distancing rule by keeping a 6-foot distance between other Participants and Team Members. *Individual sections of 6-feet or more will be clearly marked for all Participants.*
- Minimize and avoid unnecessary physical contact.
- NOT attempt to use equipment of any other Participant or Team Member.
- Provide and use only my own equipment including but not limited to towel, water bottle, & other miscellaneous fitness equipment
- Provide my own sanitization tools for personal use (hand sanitizer, wipes, etc.) for my own equipment and WILL NOT SHARE sanitization tools with others.
- Not arrive more than 10 minutes prior to any session and will leave promptly after all fitness sessions and activities are over.
- Practice proper hygiene by washing hands before and after workouts and sessions.
